"Keeping your  
business running"

# About Uni Assist

**UNI ASSIST** are a leading facilities support services company, delivering high quality, facility management solutions tailored to meet our clients needs.

With a long-standing tradition of meticulous work, integrity, and focused on delivering outstanding customer service.

Moving forward, we will continue to build on our legacy of success, and we will remain focused on Uni assist's primary objectives:

**To grow our business, retain our existing customers, and deliver operational excellence.**

To accomplish our goals and continue our tradition of superior facilities services, we employ great people, train them well, and embrace state-of-the-art technologies for more efficient work processes, communication, and quality control
